Pedigree Continuation Chart

Continue one direct line beyond the online application

Use this chart only when a direct ancestral line reaches beyond the final online Family Connections entry. Complete one chart for one direct line. Begin with the last person recorded online, then move one parent at a time.

STARTING POINT

Applicant's name _____ **Date completed** _____

Direct line begins through: ☐ Mother's side ☐ Father's side

Last relative recorded online _____

HOW TO COMPLETE THIS CHART

1. Use the relationship name that shows the full path back to the applicant.
2. Record the source, year, place, and any classification or lineage notation that supports the direct line.
3. Use another continuation chart if this direct line continues after Step 6.

Direct-line continuation
